Proposed Title of Exhibition

Please attach the following documentation

1. Description of the nature of the exhibition and a motivation for having the exhibition
2. A Curriculum Vitae - including information concerning training and previous exhibitions
3. A proposal for an artist-in-residence or workshop programme

The artist-in-residence programme involves artists working in the Schreiner Gallery for a specified period during the course of the exhibition. A programme of workshops involves demonstrations to and instruction of members of the public in a specific medium, technique, or theme from the artists' work. Both workshop and artist-in-residence programmes entail talking to and answering questions from members of the public.
